CONSOLIDATION MAY BE THE ANSWER FOR YOUR DEFAULTED EDUCATION LOANS

Dear

Welcome to the Consolidation Loan Program offered to you through Direct Consolidation Loans and General Revenue Corporation. We are committed to offering you the best service, so if you have any questions or comments please call one of our Loan Consolidation Specialists at . You can also visit www.loanconsolidation.ed.gov for more information about this program.

Enclosed are the forms that must be completed:

- Promissory Note
- Repayment Plan Selection Form (RPS)
- Self Certified Letter for income verification*
- Alternative Documentation of Income (ADOI)*
- Authorization to Release Information

* Please note that you are required to provide proof of your income (and your spouse's income if you are married) to Direct Loans in order to process a Direct Loan Consolidation application with an Income Contingent repayment plan. You can accomplish this by sending in a copy of your most recent tax return (form 1040), or if that is not available, filling out and signing the Self Certified Letter for Income Verification. Alternatively, if you (or your spouse) have no taxable income you can simply check the "No Taxable Income" box on the Alternative Documentation of Income form, sign it and return that form to us.

It is very important that these forms be signed and completed with no errors as mistakes or additional markings will affect your approval for a consolidation. If you do make a mistake put one line through it and initial the change.

Important things to consider when filling out your application:

- The original signed versions of these forms must be returned for processing
- Use only Blue or Black ink when signing the documents
- If you are married your spouse is required to sign the Repayment Plan Selection Form and Self Certified Income Verification letter (or Alternative Documentation of Income form if no taxable income) in order for your consolidation to be completed
- Two (2) references that do not live with you, or with each other, are needed for this application. If you have not already given these to your representative over the phone please add them to the application.

Please complete and return these forms to our offices within seven (7) business days from receiving it. This will ensure your application is processed in a timely manner. Please return them to the address below:

As of the date of this letter, you owe the amount stated above. Because your credit agreement may require you to pay interest on the outstanding portion of your balance, as well as late charges and costs of recovery, which vary from day to day, as you agreed in your credit agreement, the amount required to pay your account in full on the day you send payment may be greater than the amount stated here. If you pay the amount stated here, an adjustment may be necessary after we receive your payment. In that event, we will notify you of any adjustment in your balance. We encourage you to call prior to making a payment intended to pay your account in full. Please

Section E: Borrower Understandings, Certifications, and Authorizations

22. I understand that:

- A. My Direct Consolidation Loan will, to the extent used to pay off loans made under the Federal Family Education Loan (FFEL), Direct Loan, and Federal Perkins Loan (Perkins Loan) programs, count against the applicable aggregate loan limits under the Act. The term "the Act" is defined under "Governing Law" on page 4 of this Note.
- B. The amount of my Direct Consolidation Loan is the sum of the balances of my outstanding eligible loans that I have chosen to consolidate. My outstanding balance on each loan to be consolidated includes unpaid principal, unpaid accrued interest and late charges as defined by federal regulations and as certified by the loan holder. Collection costs may also be included. For a Direct Loan Program or FFEL Program loan that is in default, the amount of any collection costs that may be included in the payoff balances of the loans is limited to a maximum of 18.5% of the outstanding principal and interest. For any other defaulted federal education loans, all collection costs that are owed may be included in the payoff balances of the loans.
- C. Applying for a Direct Consolidation Loan does not obligate me to agree to take the Direct Consolidation Loan. The U.S. Department of Education (ED) will provide me with: (1) a notice containing information about the loans and payoff amounts that ED has verified with the holders of my loans or through ED's National Student Loan Data System (NSLDS) before the actual payoffs occur; and (2) the deadline by which I must notify ED if I want to cancel the Direct Consolidation Loan, or if I do not want to consolidate any of the loans that ED has verified. The notice that ED sends will include information about loans eligible for consolidation that I listed in Section C1 of this Note ("Education Loan Indebtedness – Loans You Want to Consolidate"). It may also include information about additional loans eligible for consolidation that I did not list in Section C1, if I have additional eligible loans with a holder of a loan listed in Section C1. If I do not inform ED otherwise by the deadline specified in the notice that ED sends to me, all of the loans listed in the notice will be consolidated.
- D. If the amount ED sends to my loan holders is more than the amount needed to pay off the balances of the selected loans, the holders will refund the excess amount to ED and this excess amount will be applied against the outstanding balance of my Direct Consolidation Loan. If the amount that ED sends to my holders is less than the amount needed to pay off the balances of the loans selected for consolidation, ED will include the remaining amount in my Direct Consolidation Loan.
- E. Unless I am: (1) consolidating a delinquent Federal Consolidation Loan that the lender has submitted to the guaranty agency for default aversion; (2) consolidating a defaulted Federal Consolidation Loan; (3) consolidating a Federal Consolidation Loan to use the Public Service Loan Forgiveness Program; or (4) consolidating a Federal Consolidation Loan to use the no accrual of interest benefit for active duty service members, I may consolidate an existing Federal Consolidation Loan or Direct Consolidation Loan only if I include at least one additional eligible loan in the consolidation.
- F. If I am consolidating a delinquent Federal Consolidation Loan that the lender has submitted to the guaranty agency for default aversion or a defaulted Federal Consolidation loan, and I am not including another eligible loan, I must agree to repay my Direct Consolidation Loan under the ICR Plan or the IBR Plan.
- G. If I consolidate my loans, I may no longer be eligible for certain deferments, subsidized deferment periods, certain types of loan discharges or loan forgiveness, or reduced interest rates that were available on the loans I am consolidating.
- H. Any payments made prior to the date of consolidation on the loans I am consolidating will not count toward (1) the 25 years of repayment required for loan forgiveness under the IBR Plan or the ICR Plan (see Item 10 of the Borrower's Rights and Responsibilities Statement in this Note), or (2) the 120 qualifying payments required for Public Service Loan Forgiveness (see Item 17 of the Borrower's Rights and Responsibilities Statement).
- I. If I am consolidating a Perkins Loan: (1) I will no longer be eligible for interest-free periods while I am enrolled in school at least half time, in the grace period on my loan, and during deferment periods; and (2) I will no longer be eligible for full or partial loan cancellation under the Perkins Loan Program based on years of service in one of the following occupations: teacher in a low-income elementary or secondary school; staff member in a eligible preschool program; special education teacher; member of the Armed Forces who qualifies for special pay; Peace Corps volunteer or volunteer under the Domestic Volunteer Service Act of 1973; law enforcement or corrections officer; attorney in an eligible defender organization; teacher of mathematics, science, foreign languages, bilingual education or any other high-need field; nurse or medical technician providing health care services; employee of a public or private nonprofit child or family service agency that services high-risk children from low-income families and their families; fire fighter; faculty member at a Tribal College or University; librarian; or speech language pathologist.
- J. If I am consolidating a Direct PLUS Loan or a Federal PLUS Loan that I obtained to help pay for my dependent child's undergraduate education, I will not be eligible to repay my Direct Consolidation Loan under the IBR Plan. However, I may repay my Direct Consolidation Loan under the ICR Plan.
- K. If I am consolidating any Direct Loan Program loans on which I received an up-front interest rebate, and I have not yet made the first 12 required on-time payments on those loans at the time the loans are consolidated, I must make the first 12 required monthly payments on my Direct Consolidation Loan on time to keep the interest rebate (see Item 9 of the Borrower's Rights and Responsibilities Statement).

23. Under penalty of perjury, I certify that:

- A. The information that I have provided on this Note is true, complete, and correct to the best of my knowledge and belief and is made in good faith.
- B. All of the loans selected for consolidation have been used to finance my education or the education of my dependent child(ren).
- C. All of the loans selected for consolidation are in a grace period or in repayment ("in repayment" includes loans in deferment or forbearance).
- D. If I owe an overpayment on a Federal Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent (SMART) Grant, or Leveraging Educational Assistance Partnership Grant, I have made satisfactory arrangements with the holder to repay the amount owed.
- E. If I am in default on any loan I am consolidating (except as provided above in Item 22.F.), I have either made a satisfactory repayment arrangement with the holder of that defaulted loan, or I will repay my Direct Consolidation Loan under the ICR Plan or the IBR Plan.
- F. If I have been convicted of, or pled *nolo contendere* or guilty to, a crime involving fraud in obtaining federal student aid funds under the Act, I have completed the repayment of those funds to ED, or to the loan holder in the case of a Title IV federal student loan.

24. I make the following authorizations:

- A. I authorize ED to contact the holders of the loans selected for consolidation to determine the eligibility for consolidation and the payoff amounts of the loans listed in Section C1 of this Note and any of my other federal education loans that are held by a holder of a loan listed in Section C1. I further authorize release to ED or its agent of any information required to consolidate my education loans in accordance with the Act.
- B. I authorize ED to issue the proceeds of my Direct Consolidation Loan to the holders of the selected loans to pay off the debts.
- C. I authorize ED to investigate my credit record and report information about my loan status to persons and organizations permitted by law to receive that information.
- D. I authorize my school(s) and ED to release information about my Direct Consolidation Loan to the references on the loan and to members of my immediate family, unless I submit written directions otherwise.
- E. I authorize my school(s), ED, or their agents to verify my Social Security Number with the Social Security Administration (SSA) and, if the number on my loan record is incorrect, then I authorize SSA to disclose my correct Social Security Number to these parties.
- F. I authorize my schools, ED, and their respective agents and contractors to contact me regarding my loan request or my loan, including repayment of my loan, at the current or any future number that I provide for my cellular telephone or other wireless device using automated dialing equipment or artificial or prerecorded voice or text messages.

Section F: Promissory Note (continued on page 4) – to be completed and signed by the borrower.

25. Promise to Pay. I promise to pay to the ED all sums disbursed under the terms of this Note to pay off my prior loan obligations, plus interest and other charges and fees that may become due as provided in this Note. Unless I make interest payments, interest that accrues on my loan during forbearance periods and on the unsubsidized portion of my loan during deferment periods may be added, as provided under the Act, to the principal balance of my loan. If I do not make payments on this Note when due, I will also pay reasonable collection costs, including but not limited to attorney's fees, court costs, and other fees.

If ED accepts my application, I understand that ED will send funds to the holders of the loans that I want to consolidate to pay off those loans. I further understand that the amount of my Direct Consolidation Loan will equal the sum of the payoff balances on the loans selected for consolidation. My signature on this Note serves as my authorization to pay off the balances of the loans selected for consolidation as provided by the holders of the loans.

The payoff amount may be greater than or less than the estimated total balance I have indicated in Section C1. Further, I understand that if any collection costs are owed on the loans selected for consolidation, these costs may be added to the principal balance of my Direct Consolidation Loan.

I will not sign this Note before reading the entire Note, even if I am told not to read it. I am entitled to an exact copy of this Note and the Borrower's Rights and Responsibilities Statement. My signature certifies that I have read, understand, and agree to the terms and conditions of this Note, including the Borrower Understandings, Certifications, and Authorizations in Section E, and the Borrower's Rights and Responsibilities Statement.

I UNDERSTAND THAT THIS IS A LOAN THAT I MUST REPAY.

26. Borrower's Signature _____

Governing Law

The terms of this Federal Direct Consolidation Loan Application and Promissory Note (Note) will be interpreted in accordance with the Higher Education Act of 1965, as amended (20 U.S.C. 1070 *et seq.*), the U.S. Department of Education's (ED's) regulations, as they may be amended in accordance with their effective date, and other applicable federal laws and regulations (collectively referred to as the "Act"). Applicable state law, except as preempted by federal law, may provide for certain borrower rights, remedies, and defenses in addition to those stated in this Note.

Disclosure of Loan Terms

This Note applies to a Federal Direct Consolidation Loan (Direct Consolidation Loan). Under this Note, the principal amount that I owe and am required to repay will be equal to all sums disbursed to pay off my prior loan obligations, plus any unpaid interest that is capitalized and added to the principal amount.

My Direct Consolidation Loan may have up to two separate loan identification numbers depending on the loans I choose to consolidate. These loan identification numbers will represent prior subsidized loans and prior unsubsidized loans. Each applicable loan identification number is represented by this Note.

When the loans that I am consolidating are paid off, a disclosure statement will be provided to me. The disclosure will identify the amount of my Direct Consolidation Loan, the associated loan identification number(s), and additional terms of the loan, such as the interest rate and repayment schedule. If I have questions about the information disclosed, I may contact my servicer. Important additional information is also contained in the Borrower's Rights and Responsibilities Statement. The Borrower's Rights and Responsibilities Statement and any disclosure I receive in connection with the loan made under this Note are hereby incorporated into this Note.

I understand that ED may use a servicer to handle billing and other communications related to my loan.

Interest

Interest will be calculated using a formula provided for by the Act. Unless ED notifies me in writing of a lower rate, the interest rate on my Direct Consolidation Loan will be based on the weighted average of the interest rates on the loans being consolidated, rounded to the nearest higher one-eighth of one percent, but will not exceed 8.25%. This is a fixed interest rate, which means that the rate will remain the same throughout the life of the loan.

I agree to pay interest on the principal amount of my Direct Consolidation Loan from the date of disbursement until the loan is paid in full or discharged, except for interest ED does not charge me during a deferment period on the subsidized portion of my Direct Consolidation Loan. ED may add interest that accrues but is not paid when due to the unpaid principal balance of this loan, as provided under the Act. This is called capitalization.

Late Charges and Collection Costs

ED may collect from me: (1) a late charge of not more than six cents for each dollar of each late payment if I fail to make any part of a required installment payment within 30 days after it becomes due, and (2) any other charges and fees that are permitted by the Act related to the collection of my Direct Consolidation Loan. If I default on my loan, I will pay reasonable collection costs, plus court costs and attorney fees.

Repayment

I must repay the full amount of the Direct Consolidation Loan made under this Note, plus accrued interest. I will repay my loan in monthly installments during a repayment period that begins on the date of the first disbursement of the loan, unless it is in a deferment or forbearance period. Payments made by me or on my behalf will be applied first to late charges and collection costs that are due, then to interest that has not been paid, and finally to the principal amount of the loan, except during periods of repayment under the Income-Based Repayment (IBR) Plan. Under the IBR Plan, payments will be applied first to interest that is due, then to fees that are due, and then to the principal amount.

ED will provide me with a choice of repayment plans. Information on these plans is included in the Borrower's Rights and Responsibilities Statement. I must select

a repayment plan. If I do not select a repayment plan, ED will choose a plan for me in accordance with the Act.

ED will provide me with a repayment schedule that identifies my payment amounts and due dates. My first payment will be due within 60 days of the first disbursement of my Direct Consolidation Loan unless it is in a deferment or forbearance period. If I am unable to make my scheduled loan payments, ED may allow me to temporarily stop making payments, reduce my payment amount, or extend the time for making payments, as long as I intend to repay my loan. Allowing me to temporarily delay or reduce loan payments is called forbearance.

ED may adjust payment dates on my Direct Consolidation Loan or may grant me forbearance to eliminate a delinquency that remains even though I am making scheduled installment payments.

I may prepay any part of the unpaid balance on my loan at any time without penalty. After I have repaid my Direct Consolidation Loan in full, ED will send me a notice telling me that I have paid off my loan.

Acceleration and Default

At ED's option, the entire unpaid balance of the Direct Consolidation Loan will become immediately due and payable (this is called "acceleration") if either of the following events occurs: (1) I make a false representation that results in my receiving a loan for which I am not eligible; or (2) I default on the loan.

The following events will constitute a default on my loan: (1) I fail to pay the entire unpaid balance of the loan after ED has exercised its option under the preceding paragraph; (2) I fail to make installment payments when due, provided my failure has persisted for at least 270 days; or (3) I fail to comply with other terms of the loan, and ED reasonably concludes that I no longer intend to honor my repayment obligation. If I default, ED may capitalize all outstanding interest. This will increase the principal balance, and the full amount of the loan, including the new principal balance and collection costs, will become immediately due and payable.

If I default, the default will be reported to national consumer reporting agencies and will significantly and adversely affect my credit rating. I understand that a default will have additional adverse consequences to me as disclosed in the Borrower's Rights and Responsibilities Statement. Following default, I may be required to repay the loan (including potential collection of amounts in excess of the principal and interest) under the Income Contingent Repayment (ICR) Plan or the IBR Plan in accordance with the Act.

Legal Notices

Any notice required to be given to me will be effective if sent by first class mail to the most recent address that ED has for me, by electronic means to an address I have provided, or by any other method of notification permitted or required by applicable statute or regulation. I will immediately notify ED of a change of contact information or status, as specified in the Borrower's Rights and Responsibilities Statement.

If ED fails to enforce or insist on compliance with any term on this Note, this does not waive any right of ED. No provision of this Note may be modified or waived except in writing by ED. If any provision of this Note is determined to be unenforceable, the remaining provisions will remain in force.

Information about my loan will be submitted to the National Student Loan Data System (NSLDS). Information in NSLDS is accessible to schools, lenders, and guarantors for specific purposes as authorized by ED.

Direct Loans are made by the U.S. Department of Education. We contract with servicers to service, answer questions about, and process payments on Direct Loans. We will provide you with the address and telephone number of the servicer for your loan.

2. Laws that apply to this Note. The terms and conditions of loans made under this Note are determined by the HEA and other applicable federal laws and regulations. These laws and regulations are referred to as "the Act" throughout this Borrower's Rights and Responsibilities Statement. State law, unless it is preempted by federal law, may provide you with certain rights, remedies, and defenses in addition to those stated in the Note and this Borrower's Rights and Responsibilities Statement.

NOTE: Any change to the Act applies to loans in accordance with the effective date of the change.

3. Direct Consolidation Loan identification numbers. Depending on the type(s) of federal education loan(s) that you choose to consolidate, your Direct Consolidation Loan may have up to two individual loan identification numbers. However, you will have only one Direct Consolidation Loan and will receive only one bill.

3a. The subsidized portion of your Direct Consolidation Loan ("Direct Subsidized Consolidation Loan") will have one loan identification number representing the amount of the following types of loans that you consolidate:

- Subsidized Federal Stafford Loans
- Direct Subsidized Loans
- Subsidized Federal Consolidation Loans
- Direct Subsidized Consolidation Loans
- Federal Insured Student Loans (FISL)
- Guaranteed Student Loans (GSL)

3b. The unsubsidized portion of your Direct Consolidation Loan ("Direct Unsubsidized Consolidation Loan") will have one identification number representing the amount of the following types of loans that you consolidate:

- Unsubsidized and Nonsubsidized Federal Stafford Loans
- Direct Unsubsidized Loans
- Unsubsidized Federal Consolidation Loans
- Direct Unsubsidized Consolidation Loans
- Federal PLUS Loans (for parents or for graduate and professional students)
- Direct PLUS Loans (for parents or for graduate and professional students)
- Direct PLUS Consolidation Loans
- Federal Perkins Loans
- National Direct Student Loans (NDSL)
- National Defense Student Loans (NDSL)
- Federal Supplemental Loans for Students (SLS)
- Parent Loans for Undergraduate Students (PLUS)
- Auxiliary Loans to Assist Students (ALAS)
- Health Professions Student Loans (HPSL)
- Health Education Assistance Loans (HEAL)
- Nursing Student Loans (NSL)
- Loans for Disadvantaged Students (LDS)

4. Adding eligible loans to your Direct Consolidation Loan. You may add eligible loans to your Direct Consolidation Loan by submitting a request to us within 180 days of the date your Direct Consolidation Loan is made. (Your Direct Consolidation Loan is "made" on the date we pay off the first loan that you are consolidating.) After we pay off any loans that you add during the 180-day period, we will notify you of the new total amount of your Direct Consolidation Loan and of any adjustments that must be made to your monthly payment amount and/or interest rate.

If you want to consolidate any additional eligible loan(s) after the 180-day period, you must apply for a new Direct Consolidation Loan.

5. Loans that may be consolidated. *General.* Only the federal education loans listed in Items 3a. and 3b. of this Borrower's Rights and Responsibilities Statement may be consolidated into a Direct Consolidation Loan. You may only consolidate loans that are in a grace period or in repayment (including loans in deferment or forbearance). At least one of the loans that you consolidate must be a Direct Loan Program loan or a Federal Family Education Loan (FFEL) Program loan.

Defaulted loans. You may consolidate a loan that is in default if (a) you first make satisfactory repayment arrangements with the holder of the defaulted loan, or (b) you agree to repay your Direct Consolidation Loan under the Income Contingent Repayment (ICR) Plan or the Income-Based Repayment (IBR) Plan (see Item 10).

Existing consolidation loans. Generally, you may consolidate an existing Direct Consolidation Loan or Federal Consolidation Loan into a new Direct Consolidation Loan only if you include at least one additional eligible loan in the consolidation. However, you may consolidate a Federal Consolidation Loan into a new Direct Consolidation Loan without including an additional loan if the Federal Consolidation Loan is delinquent and has been submitted by the lender to the guaranty agency for default aversion, or if the Federal Consolidation Loan is in default. In such cases, you must agree to repay the new Direct Consolidation Loan under the ICR Plan or the IBR Plan. You may also consolidate a single Federal Consolidation Loan into a new Direct Consolidation Loan to use the Public Service Loan Forgiveness program described in Item 17 of this Borrower's Rights and Responsibilities Statement, or the no accrual of interest benefit for active duty service members described in Item 8.

6. Information you must report to us. Until your loan is repaid, you must notify your servicer if you:

- Change your address or telephone number;
- Change your name (for example, maiden name to married name);
- Change your employer or your employer's address or telephone number changes; or
- Have any other change in status that would affect your loan (for example, if you receive a deferment while you are unemployed, but you find a job and therefore no longer meet the eligibility requirements for the deferment)

7. Interest rate. The interest rate on your Direct Consolidation Loan will be the lesser of the weighted average of the interest rates on the loans being consolidated, rounded to the nearest higher one-eighth of one percent, OR 8.25%. We will send you a notice that tells you the interest rate on your loan.

The interest rate on a Direct Consolidation Loan is a fixed rate. This means that the interest rate will remain the same throughout the life of your loan.

If you qualify under the Servicemembers Civil Relief Act, the interest rate on your loans obtained prior to military service may be limited to 6% during your military service. To receive this benefit, you must contact your servicer for information about the documentation you must provide to show that you qualify.

8. Payment of interest. Except as provided below for borrowers who serve in the military, interest accrues on a Direct Consolidation Loan from the date the loan is made until it is paid in full or discharged, including during periods of deferment or forbearance. You are responsible for paying all interest that accrues, except for interest that accrues on the subsidized portion of a Direct Consolidation Loan ("Direct Subsidized Consolidation Loan" – see Item 3a.) during deferment periods.

If you do not pay the interest as it accrues during the periods described above, we will add the interest to the unpaid principal amount of your loan at the end of the deferment or forbearance period. This is called "capitalization." Capitalization increases the unpaid principal balance of your loan, and interest will then accrue on the increased principal amount.

The chart below shows the difference in the total amount you would repay on a \$15,000 Direct Unsubsidized Consolidation Loan if you pay the interest as it accrues during a 12-month deferment or forbearance period, compared to the amount you would repay if you do not pay the interest and it is capitalized.

| | If you pay the interest as it accrues... | If you do not pay the interest and it is capitalized... |
|---|--|---|
| Loan Amount | \$15,000 | \$15,000 |
| Capitalized Interest for 12 Months (at the maximum rate of 8.25%) | \$0 | \$1,238 |
| Principal to be Repaid | \$15,000 | \$16,238 |
| Monthly Payment (Standard Repayment Plan) | \$146 | \$158 |
| Number of Payments | 180 | 180 |
| Total Amount Repaid | \$26,209 | \$28,359 |

In this example, you would pay \$12 less per month and \$2,150 less altogether if you pay the interest as it accrues during a 12-month deferment or forbearance period.

You may be able to claim a federal income tax deduction for interest payments you make on Direct Loans. For further information, refer to IRS Publication 970, which is available at <http://www.irs.ustreas.gov>.

Under the no interest accrual benefit for active duty service members, during periods of qualifying active duty military service interest does not accrue on the portion of a Direct Consolidation Loan that repaid a Direct Loan Program or FFEL Program loan first disbursed on or after October 1, 2008 (for up to 60 months).

9. Repayment incentive programs. A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. Under a repayment incentive program, the interest rate we charge on your loan may be reduced. Some repayment incentive programs require you to make a certain number of payments on time to keep the reduced interest rate. For Direct Consolidation Loans, the following repayment incentive program may be available to you:

Interest Rate Reduction for Automatic Withdrawal of Payments

Under the automatic withdrawal option, your bank automatically deducts your monthly loan payment from your checking or savings account and sends it to us. Automatic withdrawal helps to ensure that your payments are made on time. In addition, you receive a 0.25% interest rate reduction while you repay under the automatic withdrawal option. We will include information about the automatic withdrawal option in your first bill. You can also get this information on your servicer's web site, or by calling your servicer. Your servicer's web site address and toll-free telephone number are provided on all correspondence that your servicer sends you.

Your servicer can provide you with more information on other repayment incentive programs that may be available.

Note: Another repayment incentive program, the up-front interest rebate, is available on Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans that were first disbursed before July 1, 2012. The rebate is equal to a percentage of the loan amount, and is the same amount that would result if the interest rate on the loan were lowered by a specific percentage. To permanently keep an up-front interest rebate, a borrower must make each of the first 12 required monthly payments on time when the loan enters repayment. If you consolidate a Direct Loan on which you received an up-front interest rebate before you permanently earn the rebate (the correspondence you received about

your loan will tell you if you received a rebate), you will have to make the first 12 required monthly payments on your Direct Consolidation Loan on time to keep the interest rebate. "On time" means that we must receive each payment no later than 6 days after the due date. You will lose the rebate if you do not make all of your first 12 required monthly payments on your Direct Consolidation Loan on time. If you lose the rebate, we will add the rebate amount back to the principal balance on your loan account. This will increase the amount that you must repay.

10. Repaying your loan. Unless you receive a deferment or forbearance on your loan (see Item 16), your first payment will be due within 60 days of the first disbursement of your Direct Consolidation Loan. Your servicer will notify you of the date your first payment is due.

You must make payments on your loan even if you do not receive a bill or repayment notice.

Generally, you must repay all of your Direct Loans under the same repayment plan. You may choose one of the following repayment plans to repay any Direct Consolidation Loan:

- **Standard Repayment Plan** – Under this plan, you will make fixed monthly payments and repay your loan in full within 10 to 30 years (not including periods of deferment or forbearance) from the date the loan entered repayment, depending on the amount of your Direct Consolidation Loan and the amount of your other student loan debt (not to exceed the amount you are consolidating) as listed in Section C2 of your Note (see the chart below). Your payments must be at least \$50 a month (\$600 a year) and will be more, if necessary, to repay the loan within the required time period.
- **Graduated Repayment Plan** – Under this plan, your payments will be lower at first and will then increase over time, usually every two years. You will repay your loan in full within 10 to 30 years (not including periods of deferment or forbearance) from the date the loan entered repayment, depending on the total amount of your Direct Consolidation Loan and the amount of your other student loan debt (not to exceed the amount you are consolidating) as listed in Section C2 of your Note (see the chart below). No single payment under this plan will be more than three times greater than any other payment.

| Maximum Repayment Periods Under the Standard and Graduated Repayment Plans | |
|--|--------------------------|
| Total Education Loan Indebtedness | Maximum Repayment Period |
| Less than \$7,500 | 10 years |
| \$7,500 to \$9,999 | 12 years |
| \$10,000 to \$19,999 | 15 years |
| \$20,000 to \$39,999 | 20 years |
| \$40,000 to \$59,999 | 25 years |
| \$60,000 or more | 30 years |

- **Extended Repayment Plan** – You may choose this plan only if: (1) you had no outstanding balance on a Direct Loan Program loan as of October 7, 1998, or on the date you obtained a Direct Loan Program loan on or after October 7, 1998; and (2) you have an outstanding balance on Direct Loan Program Loans that exceeds \$30,000. Under this plan, you may choose to make either fixed or graduated monthly payments and will repay your loan in full over a repayment period not to exceed 25 years (not including periods of deferment or forbearance) from the date your loan entered repayment. If you choose to make fixed monthly payments, your payments must be at least \$50 a month (\$600 a year) and will be more, if necessary, to repay the loan within the required time period. If you choose to make graduated monthly payments, your payments will start out lower and will then increase over time, generally every two years. Under a graduated repayment schedule, your monthly payment must at least be equal to the amount of interest that accrues each month, and no single payment will be more than three times greater than any other payment.
- **Income Contingent Repayment (ICR) Plan** – Under this plan, your monthly payment amount will be based on your adjusted gross income (and that of your spouse if you are married), your family size, and the total amount of your Direct Loans. Until we obtain the information needed to calculate your monthly payment amount, your payment will equal the amount of interest that accrues monthly on your loan unless you request a forbearance. As your income

changes, your payments may change. If you do not repay your loan after 25 years under this plan, the unpaid portion will be forgiven. You may have to pay income tax on any amount forgiven.

In addition to the repayment plans listed above, you may also choose the following repayment plan to repay a Direct Consolidation Loan if you are not consolidating a parent Direct PLUS Loan or a parent Federal PLUS Loan (see Note below):

- **Income-Based Repayment (IBR) Plan** – Under this plan, your required monthly payment amount will be based on your income. To initially qualify for this plan and to continue to make income-based payments, you must have a partial financial hardship. Your monthly payment amount may be adjusted annually. The maximum repayment period under this plan may exceed 10 years. If your loan is not repaid in full after you have made the equivalent of 25 years of qualifying payments and at least 25 years have elapsed, you may qualify for forgiveness of any outstanding balance on your loans. You may have to pay income tax on any amount forgiven.

NOTE: A parent PLUS loan is a PLUS loan that you obtained to help pay for your dependent child's undergraduate education. Direct Consolidation Loans that repaid parent Direct PLUS Loans or parent Federal PLUS Loans may not be repaid under the IBR Plan. However, such loans may be repaid under the ICR Plan.

If you can show to our satisfaction that the terms and conditions of these repayment plans are not adequate to meet your exceptional circumstances, we may provide you with an alternative repayment plan.

If you do not choose a repayment plan, we will choose a plan for you in accordance with the Act.

You may change repayment plans at any time after you have begun repaying your loan. There is no penalty if you make loan payments before they are due, or pay more than the amount due each month.

Except for payments made under the IBR Plan, we apply your payments in the following order: (1) late charges and collection costs, (2) outstanding interest, and (3) outstanding principal. For payments made under the IBR Plan, we apply your payments in the following order: (1) outstanding interest, (2) late charges and collection costs, and (3) outstanding principal.

When you have repaid your loan in full, your servicer will send you a notice telling you that you have paid off your loan. You should keep this notice in a safe place.

11. **Transfer of loan.** We may transfer one or all of your loans to another servicer without your consent. If the address to which you must send payments or correspondence changes, you will be notified of the new servicer's name, address and telephone number, the effective date of the transfer, and the date when you must begin sending payments or directing communications to that servicer. Transfer of a loan to a different servicer does not affect your rights and responsibilities under that loan.

12. **Late charges and collection costs.** If you do not make any part of a payment within 30 days after it is due, we may require you to pay a late charge. This charge will not be more than six cents for each dollar of each late payment. If you do not make payments as scheduled, we may also require you to pay other charges and fees involved in collecting your loan.

13. **Demand for immediate repayment.** The entire unpaid amount of your loan becomes due and payable (this is called "acceleration") if you:

- Make a false statement that causes you to receive a loan that you are not eligible to receive; or
- Default on your loan.

14. **Defaulting on your loan.** Default (failing to repay your loan) is defined in detail under "Acceleration and Default" on page 4 of this Note. If you default:

- You will be required to immediately repay the entire unpaid amount of your loan.
- We may sue you, take all or part of your federal tax refund or other federal payments, and/or garnish your wages so that your employer is required to send us part of your wages to pay off your loan.
- You will be required to pay reasonable collection fees and costs, plus court costs and attorney fees.
- You will lose eligibility for other federal student aid and assistance under most federal benefit programs.
- You will lose eligibility for loan deferments.

- We will report your default to national consumer reporting agencies (see Item 15).

15. **Consumer reporting agency notification.** We will report information about your loan to each national consumer reporting agency on a regular basis. This information will include the disbursement dates, amount, and repayment status of your loan (for example, whether you are current or delinquent in making payments). Your loan will be identified as an education loan.

If you default on a loan, we will report the default to national consumer reporting agencies. We will notify you at least 30 days in advance that we plan to report default information to a consumer reporting agency unless you resume making payments on the loan within 30 days of the date of the notice. You will be given a chance to ask for a review of the debt before we report it.

If a consumer reporting agency contacts us regarding objections you have raised about the accuracy or completeness of any information we have reported, we are required to provide the consumer reporting agency with a prompt response.

16. **Deferment and forbearance (postponing payments).** If you meet certain requirements, you may receive a deferment that allows you to temporarily stop making payments on your loan. If you cannot make your scheduled loan payments, but do not qualify for a deferment, we may give you a forbearance. A forbearance allows you to temporarily stop making payments on your loan, temporarily make smaller payments, or extend the time for making payments.

Deferment

You may receive a deferment:

- While you are enrolled at least half time at an eligible school;
- While you are in a full-time course of study in a graduate fellowship program;
- While you are in an approved full-time rehabilitation program for individuals with disabilities;
- While you are unemployed (for a maximum of three years; you must be diligently seeking, but unable to find, full-time employment); or
- While you are experiencing an economic hardship (including Peace Corps service), as determined under the Act (for a maximum of three years).
- While you are serving on active duty during a war or other military operation or national emergency, or performing qualifying National Guard duty during a war or other military operation or national emergency, and if you were serving on or after October 1, 2007, for an additional 180-day period following the demobilization date for your qualifying service; or
- If you are a member of the National Guard or other reserve component of the U.S. Armed Forces (current or retired) and you are called or ordered to active duty while enrolled at an eligible school, or within 6 months of having been enrolled at least half time, you are eligible for a deferment during the 13 months following the conclusion of the active duty service, or until you return to enrolled student status on at least a half-time basis, whichever is earlier.

You may be eligible to receive additional deferments if, at the time you received your first Direct Loan, you had an outstanding balance on a loan made under the Federal Family Education Loan (FFEL) Program before July 1, 1993. If you meet this requirement, contact your servicer about additional deferments that may be available.

You may receive a deferment while you are enrolled in school on at least a half-time basis if: (1) you submit a deferment request form to your servicer along with documentation of your eligibility for the deferment; or (2) your servicer receives information from the school you are attending that indicates you are enrolled at least half time. If your servicer processes a deferment based on information received from your school, you will be notified of the deferment and will have the option of canceling the deferment and continuing to make payments on your loan.

For all other deferments, you (or, for a deferment based on active military duty or qualifying National Guard duty during a war or other military operation or national emergency, your representative) must submit a deferment request form to your servicer, along with documentation of your eligibility for the deferment. In certain circumstances, you may not be required to provide documentation of your eligibility if your servicer confirms that you have been granted the same deferment for the same period of time on a FFEL Program loan. Your servicer can provide you with a deferment request form that explains the requirements for the type of deferment you are requesting. You may also obtain deferment request forms and information on deferment eligibility requirements from your servicer's web site.

If you are in default on your loan, you are not eligible for a deferment.

You are responsible for paying the interest that accrues on a Direct Unsubsidized Consolidation Loan during a deferment period. You are not responsible for paying the interest that accrues on a Direct Subsidized Consolidation Loan during a deferment period.

Forbearance

We may give you a forbearance if you are temporarily unable to make your scheduled loan payments for reasons including, but not limited to, financial hardship and illness.

We will give you a forbearance if:

- You are serving in a medical or dental internship or residency program, and you meet specific requirements;
- The total amount you owe each month for all of the student loans you received under Title IV of the Act is 20% or more of your total monthly gross income (for a maximum of three years);
- You are serving in a national service position for which you receive a national service education award under the National and Community Service Act of 1990 (AmeriCorps). In some cases, the interest that accrues on a qualified loan during the service period will be paid by the Corporation for National and Community Service;
- You qualify for partial repayment of your loans under the Student Loan Repayment Program, as administered by the Department of Defense;
- You are performing service that would qualify you for loan forgiveness under the teacher loan forgiveness program that is available to certain Direct Loan and FFEL program borrowers; or
- You are a member of the National Guard who qualifies for a post-active duty student deferment but not for a military service deferment or other deferment, and you are engaged in active state duty for a period of more than 30 consecutive days.

To request a forbearance, contact your servicer. Your servicer can provide you with a forbearance request form that explains the requirements for the type of forbearance you are requesting. You may also obtain forbearance request forms and information on forbearance eligibility requirements from your servicer's web site. Under certain circumstances, we may also give you a forbearance without requiring you to submit a request or documentation. These circumstances include, but are not limited to, the following:

- Periods necessary for us to determine your eligibility for a loan discharge;
- A period of up to 60 days for us to collect and process documentation related to your request for a deferment, forbearance, change in repayment plan, or consolidation loan (we do not capitalize interest charged during this period); or
- Periods when you are involved in a military mobilization or are affected by a local or national emergency.

You are responsible for paying the interest that accrues on your entire Direct Consolidation Loan during a forbearance period.

17. Discharge (having your loan forgiven). We will discharge (forgive) your Direct Consolidation Loan if:

- Your servicer receives acceptable documentation of your death. We will also discharge the portion of a Direct Consolidation Loan that repaid one or more Direct PLUS Loans or Federal PLUS Loans obtained on behalf of a student who dies.
- Your loan is discharged in bankruptcy. However, federal student loans are not automatically discharged if you file for bankruptcy. To have your loan discharged in bankruptcy, you must prove to the bankruptcy court in an adversary proceeding that repaying the loan would cause undue hardship.
- You become totally and permanently disabled (as defined in the Act) and meet certain other requirements.

In certain cases, we may also discharge all or a portion of your Direct Consolidation Loan if:

- One or more Direct Loan Program, FFEL Program, or Federal Perkins Loan Program loans that you consolidated was used to pay for a program of study that you (or the dependent student for whom you borrowed a PLUS loan) were unable to complete because the school closed;
- Your eligibility (or the eligibility of the dependent student for whom you borrowed a PLUS loan) for one or more of the Direct Loan Program or FFEL Program loans that you consolidated was falsely certified by the school;

- Your eligibility for one or more of the Direct Loan Program or FFEL Program loans that you consolidated was falsely certified as a result of a crime of identity theft; or
- The school did not pay a required refund of one or more Direct Loan Program or FFEL Program loans that you consolidated.

We may forgive a portion of your Direct Consolidation Loan that repaid Direct Subsidized or Direct Unsubsidized Loans you received after October 1, 1998, or subsidized or unsubsidized Federal Stafford Loans you received under the FFEL program after October 1, 1998 if you: (1) teach full time for five consecutive years in certain elementary and/or secondary schools or educational service agencies that serve low-income families; (2) meet certain other qualifications; and (3) did not owe a Direct Loan or a FFEL Program loan as of October 1, 1998, or as of the date you obtain a loan after October 1, 1998.

A Public Service Loan Forgiveness program is available that provides for the cancellation of the remaining balance due on your eligible Direct Loan Program loans after you have made 120 full, on-time, scheduled monthly payments (after October 1, 2007) on those loans under certain repayment plans while you are employed full-time by certain public service organizations.

The Act may provide for certain loan forgiveness or repayment benefits on your loans in addition to the benefits described above. If other forgiveness or repayment options become available, your servicer will provide information about these benefits.

To request a loan discharge based on one of the conditions described above (except for discharges due to death or bankruptcy), you must complete an application that you may obtain from your servicer.

In some cases, you may assert, as a defense against collection of your loan, that the school did something wrong or failed to do something that it should have done. You can make such a defense against repayment only if the school's act or omission directly relates to your loan or to the educational services that the loan was intended to pay for, and if what the school did or did not do would give rise to a legal cause of action against the school under applicable state law. If you believe that you have a defense against repayment of your loan, contact your servicer.

We do not guarantee the quality of the academic programs provided by schools that participate in federal student financial aid programs. You must repay your loan even if you do not complete your education, are unable to obtain employment in your field of study, or are dissatisfied with, or do not receive, the education you paid for with the loan.

18. Department of Defense and other federal agency loan repayment. Under certain circumstances, military personnel may have education loans repaid by the Secretary of Defense. This benefit is offered as part of a recruitment program that does not apply to individuals based on their previous military service or to those who are not eligible for enlistment in the U.S. Armed Forces. For more information, contact your local military service recruitment office.

Other agencies of the federal government may also offer student loan repayment programs as an incentive to recruit and retain employees. Contact the agency's human resources department for more information.

Instructions

To understand your repayment options, carefully read this entire form, including the important notices in Section 7, and the enclosed information that describes the available repayment plans. After reviewing this information, complete the applicable sections below to select a repayment plan or to change your current repayment plan. Please print clearly using blue or black ink. If you need help completing this form, contact your servicer through one of the methods provided in Section 6 of this form. Return the completed form to the address shown in Section 6.

Section 1: Borrower Information – to be completed by ALL BORROWERS

Borrower's Last Name _____ First Name _____ Middle Initial _____ Borrower's Social Security Number: _____

Section 2: Repayment Plan Selection – to be completed by ALL BORROWERS

- Place an "X" in the box in the chart below under the repayment plan that you wish to select for the types of loans that you owe. The enclosed information describes each of the repayment plans.
- You must choose the same repayment plan for all of your Direct Loans, unless you want to repay under the Income Contingent Repayment (ICR) Plan or Income-Based Repayment (IBR) Plan and you have some loans that may not be repaid under those plans as indicated in the chart below. In this case, you may select the ICR Plan or IBR Plan for the loans that are eligible for repayment under those plans, and may select a different repayment plan for the loans that may not be repaid under ICR or IBR.
- In the chart below, the term "parent PLUS Loan" refers to a Direct PLUS Loan made under the William D. Ford Federal Direct Loan (Direct Loan) Program or a Federal PLUS Loan made under the Federal Family Education Loan (FFEL) Program that you borrowed to help pay for your dependent child's undergraduate education. A "student PLUS Loan" is a Direct PLUS Loan or Federal PLUS Loan that you received to pay for your own graduate or professional education. A Direct PLUS Consolidation Loan is a Direct Consolidation Loan made before July 1, 2006 that repaid parent PLUS loans. No Direct PLUS Consolidation Loans have been made since July 1, 2006.
- To repay your loans under the IBR Plan, you must have a partial financial hardship (see Section 5).
- If you are beginning repayment of your loans for the first time and you do not select a repayment plan, or if you select the ICR Plan or IBR Plan but do not submit required additional forms and documentation, you will be placed on the Standard Repayment Plan.
- If you are requesting a change from another repayment plan to the ICR Plan or the IBR Plan and you do not submit required additional forms and documentation, you will remain on your current repayment plan.
- If you are requesting a change from your current repayment plan to a different plan, your servicer may grant you a forbearance for up to 60 days, if necessary, in order to collect and process documentation supporting your request (such as documentation required to process a request to repay under the ICR Plan or the IBR Plan). Unpaid interest that accrues during this maximum 60-day forbearance period will not be capitalized. (Capitalization is the addition of unpaid interest to the principal balance of your loan. This increases the principal balance and the total cost of your loan.)
- If you are delinquent in making payments under your current repayment plan at the time you request a change to a different plan, your servicer may grant you a forbearance to cover (1) any payments that are overdue at the time of your request, or (2) if you are requesting a change to the IBR Plan, any payments that would be overdue by the time your servicer determines whether you have a partial financial hardship (see Section 5), if it takes your servicer more than 60 days to make that determination. Unpaid interest that accrues during this forbearance period may be capitalized at the end of the forbearance period.

If you are required to complete this section, your spouse must also sign this form.

Spouse's Last Name _____ First Name _____ Middle Initial _____ Spouse's Social Security Number: _____ Spouse's Date of Birth (mm-dd-yyyy) _____

Section 4: Additional ICR Information – to be completed by BORROWERS WHO SELECT THE INCOME CONTINGENT REPAYMENT PLAN

Complete this section *only* if you are selecting the ICR Plan.

Note: To repay under the ICR Plan, you must complete a consent form authorizing the Internal Revenue Service to disclose your adjusted gross income (AGI) and other tax return information, or you must provide other documentation of your AGI, such as a copy of your most recently filed federal income tax return, as specified by your servicer in documentation accompanying this form. In some cases, you may also be required to complete an ICR & IBR Plan Alternative Documentation of Income form. Your servicer will include the required additional forms with this Repayment Plan Selection form or will provide instructions for obtaining the forms. Complete and return the required form(s) or other required documentation along with this Repayment Plan Selection form.

Until your servicer receives the information needed to calculate your ICR Plan payment amount, your initial payment amount will be the full amount of interest that accumulates on your loan each month. If you are beginning repayment of your Direct Loan for the first time and you cannot afford the initial interest payment, you may request a forbearance until you are notified of your actual ICR payment. During a forbearance you are not required to make any payments of principal or interest, but interest continues to accumulate on your loan. Interest that you do not pay during this forbearance period will be capitalized at the end of the forbearance. To request a forbearance, contact your servicer.

A. Family Size. Enter your family size on the line below. Your family size includes you and your spouse. It includes your children if they get more than half their support from you. It includes other people only if (1) they now live with you, *and* (2) they now get more than half their support from you *and* they will continue to get this support from you. *Support* includes money, gifts, loans, housing, food, clothes, car, medical and dental care, payment of college costs, etc. If your family size changes, notify your servicer in writing at the mailing address or the Web site address shown in Section 6.

Section 5: Additional IBR Information – to be completed by BORROWERS WHO SELECT THE INCOME-BASED REPAYMENT PLAN

Complete this section *only* if you are selecting the IBR Plan.

To initially qualify to repay your loans under the IBR Plan and to continue to make income-based payments, you must have a partial financial hardship. You are considered to have a partial financial hardship if the annual amount due on all of your eligible loans or, if you are married and file a joint federal income tax return, the annual amount due on all of your eligible loans and your spouse's eligible loans, is more than 15% of the difference between your adjusted gross income (AGI), as shown on your most recently filed federal income tax return, and 150% of the poverty guideline amount for your family size and state of residence:

Annual amount of payments due > 15% [AGI – (150% x applicable poverty guideline amount)]

The annual amount of payments due is calculated based on the greater of (1) the total amount owed on eligible loans at the time those loans initially entered repayment or (2) the total amount owed on eligible loans at the time you or, if applicable, your spouse requested the IBR Plan. The annual amount of payments due is calculated using a Standard Repayment Plan with a 10-year repayment period. The amount owed on eligible loans includes the amount owed on your eligible loans and, if you are married and file a joint federal income tax return, the amount owed on your spouse's eligible loans. Eligible loans for the IBR Plan are listed in "B", below. If you are married and file a joint federal income tax return, your AGI includes both your income and your spouse's income. Your spouse must sign below if you file a joint federal income tax return and if your spouse also has loans that are eligible for repayment under the IBR Plan; by signing this form, your spouse is authorizing your servicer to access information about his or her federal student loans in the National Student Loan Data System (NSLDS).

An IBR Plan calculator is available at studentaid.ed.gov. The calculator evaluates your eligibility for the IBR Plan and estimates your initial IBR Plan payment amount. To use the calculator, you will need to enter your eligible loan debt, income, family size, and state of residence. The calculator is for informational purposes only; your servicer will make the official determination of your eligibility and payment amount based on the information you provide on this form and other required documentation.

To enroll in the IBR Plan, you must complete a consent form authorizing the Internal Revenue Service to disclose your AGI and other tax return information, or you must provide other documentation of your AGI, such as a copy of your most recently filed federal income tax return, as specified by your servicer in documentation accompanying this form. In some cases, you may also be required to complete an ICR & IBR Plan Alternative Documentation of Income form. Your servicer will include the required additional forms with this Repayment Plan Selection form or will provide instructions for obtaining the forms. Complete and return the required form(s) and/or other required documentation along with this Repayment Plan Selection form.

A. Family Size. Enter your family size on the line below. Your family size includes you, your spouse, and your children, including children who will be born during the year you certify your family size, if your children receive more than half their support from you. Your family size also includes other individuals if, at the time you certify your family size, these other individuals (1) live with you and (2) receive more than half of their support from you and will continue to receive this support for the year you certify your family size. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs. If you select IBR, you must notify us of your family size every year. Your servicer will contact you annually to confirm and update family size information.

Family Size: _____ NOTE: If you do not provide your family size, your servicer will assume a family size of one.

If you have any questions regarding the IBR Plan, partial financial hardship, or your family size determination, please contact your servicer.

B. Eligible Loans for the IBR Plan.

- All Direct Loan Program loans are eligible except (1) a loan that is in default, (2) a Direct PLUS Loan made to a parent borrower, (3) a Direct Consolidation Loan that repaid a Federal PLUS Loan or Direct PLUS Loan made to a parent borrower, or (4) a Direct PLUS Consolidation Loan.

Loans made under the Direct Loan Program are Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans

- All FFEL Program loans are eligible except (1) a loan that is in default, (2) a Federal PLUS Loan made to a parent borrower, or (3) a Federal Consolidation Loan that repaid a Direct PLUS Loan or Federal PLUS Loan made to a parent borrower.

Loans made under the FFEL Program are Federal Stafford Loans (subsidized and unsubsidized), Federal PLUS Loans, and Federal Consolidation Loans.

Federal Perkins Loans, HEAL loans or other health education loans, and private education loans are not eligible for the IBR plan. Your eligibility for the IBR Plan will be determined based on your total eligible loan debt and, if you are married and file a joint federal income tax return, your spouse's total eligible loan debt. To access information on your eligible loans, check NSLDS at www.nsls.ed.gov.

☐ Check this box if (1) you have eligible FFEL Program loans in addition to your eligible Direct Loan Program loans, or (2) you are married and file a joint federal income tax return, and your spouse has eligible Direct Loan or FFEL Program loans. NOTE: Including your spouse's eligible loans will result in a lower monthly IBR Plan payment amount.

C. IBR Joint Consolidation Loan Repayment. If you and your spouse have an eligible joint consolidation loan that you and your spouse want to repay under the IBR Plan, place an "X" in the box below and have your spouse sign and date below in "D". Both you and your spouse must have a partial financial hardship (see description above) to repay an eligible joint consolidation loan under IBR.

☐ I wish to repay my joint consolidation loan(s) with my spouse under the IBR Plan.

D. Certification. Read the certification statement below, then sign and date this form. Your spouse must also sign and date this form if (1) you and your spouse file a joint federal income tax return and your spouse has loans that are eligible for IBR, or (2) you and your spouse want to repay a joint consolidation loan under the IBR Plan.

All of the information I provided on this form is true and complete to the best of my knowledge. If asked by an authorized official, I agree to provide proof of the information that I have provided on this form.

Borrower's Signature _____ Date _____

Spouse's Signature _____ Date _____

(Spouse's signature is required if (1) you file a joint federal income tax return and your spouse also has loans that are eligible for the IBR Plan, or (2) you and your spouse want to repay a joint consolidation loan under the IBR Plan.)

Repayment Plan Choices

William D. Ford Federal Direct Loan Program
Federal Direct Stafford/Ford Loans, Federal Direct Unsubsidized Stafford/Ford Loans,
Federal Direct PLUS Loans, Federal Direct Consolidation Loans

DECIDE ON A REPAYMENT PLAN

The William D. Ford Federal Direct Loan (Direct Loan) Program offers assorted repayment plans so you can choose the one that is right for you: Standard Repayment Plan, Graduated Repayment Plan, Extended Repayment Plan, Income Contingent Repayment (ICR) Plan, and Income-Based Repayment (IBR) Plan. For each plan: (1) You can prepay your loan at any time without penalty; (2) If your loan has a variable interest rate, your monthly payment amount may be adjusted annually; and (3) The "Repayment Period" excludes periods of deferment and forbearance, except periods of economic hardship deferment after October 1, 2007, for the ICR and IBR Plans. You can select the plan you want at <http://www.dl.ed.gov> or by completing and submitting a Repayment Plan Selection form.

You must choose the same repayment plan for all of your Direct Loans, unless you want to repay under the ICR Plan or the IBR Plan and you have loans that may be repaid under ICR or IBR and other loans that may not be repaid under ICR or IBR. (See the descriptions of the ICR and IBR plans below for the types of Direct Loans that may not be repaid under these repayment plans.) In that case, you may choose a different repayment plan for the loans that are not eligible for ICR or IBR.

If you do not select a repayment plan, you will be assigned the Standard Repayment Plan. If you have questions about your choices, please call the Consolidation Department at 1-800-557-7392 for assistance.

CHANGING REPAYMENT PLANS

There is no limit to when or how often you may change plans. You may change to another plan as long as the new plan has a repayment term longer than the amount of time you have already spent in repayment. The new repayment term is determined by subtracting the amount of time you have spent in repayment from the term allowed under the new plan. Exceptions are: (1) If you are required to repay under the ICR plan, you must make three consecutive on-time monthly payments of a payment amount based on your income before changing to another plan; and (2) If you choose to leave the IBR Plan, your account will be placed on the Standard Repayment Plan; and (3) You may change to the ICR Plan or the IBR Plan at any time.

STANDARD REPAYMENT PLAN

Non-Consolidation Loans

(Direct Subsidized Loans, Direct Unsubsidized Loans, & Direct PLUS Loans)

Minimum Monthly Payment \$50

Maximum Repayment Period 10 years

Under this plan, you will pay a fixed amount of at least \$50 each month for up to 10 years. Due to its short repayment period, this plan results in the lowest total interest paid under any of the repayment plans.

Consolidation Loans

Minimum Monthly Payment \$50

Maximum Repayment Period 10 - 30 years

Under this plan, you will pay a fixed amount of at least \$50 each month over a repayment period of 10 to 30 years, depending on total education indebtedness. This plan may result in lower total interest paid when compared to other plans.

GRADUATED REPAYMENT PLAN

Non-Consolidation Loans

(Direct Subsidized Loans, Direct Unsubsidized Loans, & Direct PLUS Loans)

Minimum Monthly Payment Monthly interest accrual

Maximum Repayment Period 10 years

Under this plan, you will pay a minimum payment amount equal to the amount of interest that accrues monthly for up to 10 years. Your payments start out low, and then increase every two years. No single payment under this plan will be more than three times greater than any other payment. Generally, the amount you will repay over the term of your loan will be higher under the Graduated Repayment Plan than under the Standard Repayment Plan. This plan may be beneficial if your income is low now but is likely to steadily increase.

Consolidation Loans

Minimum Monthly Payment Monthly interest accrual

Maximum Repayment Period 10 - 30 years

Under this plan, you will pay a minimum payment amount equal to the amount of interest that accrues monthly over a repayment period of 10 to 30 years, depending on your total education indebtedness. Your payments start out low, and then increase every two years. No single payment under this plan will be more than three times greater than any other payment. Generally, the amount you will repay over the term of your loan will be higher under the Graduated Repayment Plan than under the Standard Repayment Plan. This plan may be beneficial if your income is low now but is likely to steadily increase.

Total Education Indebtedness Amounts / Number of Monthly Payments under Standard and Graduated Repayment Plans for Consolidation Loans

| If your Total Education Indebtedness is | | Maximum Number of Monthly Payments |
|---|-----------|------------------------------------|
| At Least | Less Than | |
| | \$7,500 | 120 (10 years) |
| \$ 7,500 | \$10,000 | 144 (12 years) |
| \$10,000 | \$20,000 | 180 (15 years) |
| \$20,000 | \$40,000 | 240 (20 years) |
| \$40,000 | \$60,000 | 300 (25 years) |
| \$60,000 | | 360 (30 years) |

EXTENDED REPAYMENT PLAN

You may choose this plan only if (1) you had no outstanding balance on a Direct Loan on October 7, 1998 or on the date you obtained a Direct Loan after that date, and (2) you owe more than \$30,000 in outstanding Direct Loans.

Fixed Monthly Payment Option (All loan types)

Minimum Monthly Payment \$50

Maximum Repayment Period 25 years

Under this plan, you will pay a fixed amount of at least \$50 each month over a repayment period not to exceed 25 years.

Graduated Monthly Payment Option (All loan types)

Minimum Monthly Payment Monthly interest accrual

Maximum Repayment Period 25 years

Under this plan, you will pay a minimum amount of at least the amount of interest that accrues monthly over a repayment period not to exceed 25 years. Your payments start out low and then increase every two years. This plan may be beneficial if your income is low now but is likely to steadily increase.

Under either fixed or graduated monthly payment option, the Extended Repayment Plan will give you a lower monthly payment on your non-consolidation loans than Standard or Graduated Repayment Plans. Because of the longer repayment period, you will pay more interest over the life of your loan.

If you have a consolidation loan and owe more than \$30,000 but less than \$40,000, the Extended Repayment Plan will provide you with a longer repayment period than the Standard or Graduated Repayment Plans, but the total amount of interest you pay over the life of the loan may be more than under those plans.

INCOME CONTINGENT REPAYMENT (ICR) PLAN

Not available for Direct PLUS Loans made to parent borrowers or Direct PLUS Consolidation Loans.

| | |
|---------------------------------|---------------|
| <i>Minimum Monthly Payment</i> | \$0 or \$5.00 |
| <i>Maximum Repayment Period</i> | 25 years |

Under this plan, the payment amount is based upon your income. The monthly payment amount will be the lesser of the following two calculations:

1. the amount you would pay if you repaid your loan in 12 years, multiplied by an income percentage factor (ranging from approximately 55 percent to 200 percent) that varies with your annual income, or
2. 20 percent of your monthly discretionary income. Discretionary income is your federal Adjusted Gross Income (AGI) minus the poverty level for your family size.

If you are married, both your AGI and your spouse's AGI will be used to calculate your monthly repayment amount, even if you file your income taxes separately from your spouse.

If you and your spouse each have Direct Loans and want to repay your loans under the ICR Plan, you may choose to repay your loans jointly. The outstanding balances on each of your loans will be added together to determine your repayment amount.

If your calculated monthly payment is between \$0 and \$ 5.00, you will be required to make a \$5.00 monthly payment. If your income is less than or equal to the poverty level for your family size, your payment will be \$0. In the event that your payment amount is less than the amount of interest accruing on your loan, the interest will be added to your loan principal (capitalized) once a year until the principal balance is 10 percent higher than the original balance. After this occurs, interest will continue to accrue but will not be added to the principal balance.

Under this plan, it is possible you will not make payments large enough to pay off your loans in 25 years. If loans are not fully repaid after 25 years of repayment, any unpaid amount will be forgiven. The maximum 25-year repayment period may include prior periods of repayment under certain other repayment plans, and periods of economic hardship deferment after October 1, 2007. The forgiven amount may be considered taxable income.

Your repayment amount is adjusted annually. It may be higher when your income is higher and lower when your income is lower.

If you select the Income Contingent Repayment Plan, we will:

1. require you to submit documentation of current income (yours and your spouse's) in the first year of repayment. You may be required to submit documentation of current income (yours and your spouse's) in your second year of repayment as well.
2. require you to complete a form that authorizes the Internal Revenue Service (IRS) to provide income information (yours and your spouse's) to the U.S. Department of Education. You must sign this form and return it to us. The AGI from the IRS will be used to calculate your monthly repayment amount in years subsequent to the year(s) in which alternative documentation is required.

In special circumstances when your federal tax return does not reflect your present income (for example, due to loss of employment), you may submit documentation of your current income. Your monthly payment will be based on this documented income information.

NOTE: If you are repaying your loan(s) under the ICR or IBR Plan, your repayment period will be a maximum of 25 years. If loans are not fully repaid after 25 years of repayment, any unpaid amount will be forgiven. The maximum 25-year repayment period may include prior periods of repayment under certain other repayment plans, and certain periods of economic hardship deferment. The forgiven amount may be considered taxable income.

INCOME-BASED REPAYMENT (IBR) PLAN

Not available for Direct PLUS Loans made to parent borrowers (parent Direct PLUS Loans), Direct PLUS Consolidation Loans, or Direct Consolidation Loans that repaid parent Direct PLUS Loans or Federal Family Education Loan Program PLUS loans made to parent borrowers.

| | |
|---------------------------------|----------------|
| <i>Minimum Monthly Payment</i> | \$0 or \$10.00 |
| <i>Maximum Repayment Period</i> | 25 years |

The Income-Based Repayment (IBR) Plan bases your monthly payment on your annual income and family size. You must be experiencing a Partial Financial Hardship to initially select this plan. A Partial Financial Hardship is a circumstance in which the annual amount due on all your eligible loans (see the accompanying Repayment Plan Selection form for a definition of "eligible loans") at the time you entered repayment, as calculated under a 10-year Standard Repayment Plan, exceeds 15 percent of the difference between your Adjusted Gross Income (AGI) and 150 percent of the poverty line income for your family size.

Under this plan, your required monthly payment will be no more than 15 percent of the amount by which your AGI exceeds 150 percent of the poverty line income for your family size and state, divided by 12. In addition:

1. If the calculated payment is less than \$5.00 your required monthly payment will be \$0.00.
2. If the calculated payment is equal to or greater than \$5.00, but less than \$10.00, your required monthly payment will be \$10.00.
3. If all of your loans are not Direct Loans, your monthly payment amount will be determined by multiplying the calculated monthly payment by the percentage of the total amount of your eligible loans that are Direct Loans.

If you are married and file your federal income taxes jointly with your spouse, both your AGI and your spouse's AGI will be used to calculate your monthly payment. If you and your spouse file taxes separately, only your AGI will be used to calculate your monthly payment. Under this plan, it is possible you will not make payments large enough to pay off your loans in 25 years. If loans are not fully repaid after 25 years of repayment, any unpaid amount will be forgiven. The maximum 25-year repayment period may include prior periods of repayment under certain other repayment plans, and certain periods of economic hardship deferment after October 1, 2007. The forgiven amount may be considered taxable income.

Your repayment amount may be adjusted annually. It may be higher or lower depending on changes in your income. If you select the Income-Based Repayment Plan, we will:

1. require you to submit documentation of current income (yours and your spouse's if you are married and file taxes jointly) in order to apply for the IBR plan.
2. require you to complete a form that authorizes the Internal Revenue Service (IRS) to provide income information (yours and your spouse's if you are married and files taxes jointly) to the U.S. Department of Education. You must sign this form and return it to us. The AGI from the IRS will be used to calculate your monthly repayment amount in years subsequent to the year(s) in which alternative documentation is required.

In special circumstances when your federal tax return does not reflect your present income (for example, due to loss of employment), you may submit documentation of your current income. Your monthly payment will be based on this documented income information.

If your payment does not cover all of the interest accumulating monthly on your Direct Subsidized Loans or Direct Subsidized Consolidation Loans, you will not be charged the remaining portion of the interest on those loans for a period not to exceed three consecutive years from the time you begin repayment under the IBR Plan.

If you no longer have partial financial hardship, your monthly payment amount will be adjusted. Your adjusted payment amount will not exceed the amount required to pay your loan in full under a 10-year Standard Repayment Plan based on the amount of your eligible loans that was outstanding at the time you began repayment under the IBR Plan (minimum of \$50.00). The repayment period based on this recalculated payment amount may be more than 10 years.

If you choose to leave the IBR Plan, your account will be placed on the Standard Repayment Plan. Your required monthly payment will be recalculated based on (1) the time remaining under the maximum 10-year repayment period for the amount of your loans that are outstanding at the time you leave the IBR Plan, or (2) if you are a Direct Consolidation Loan borrower, the time remaining under the applicable maximum repayment period for the amount of your Direct Consolidation Loan and your other student loans that are outstanding at the time you leave the IBR Plan.

Section 5: Instructions and Where to Send the Completed Form

INSTRUCTIONS:

YOU ARE REQUIRED to complete this form if you are repaying your Direct Loans under the Income Contingent Repayment (ICR) or the Income-Based Repayment (IBR) Plan and:

- You are in your first year of repayment;
- You are in your second year of repayment and have been notified that alternative documentation of your income is required; or
- You have been notified that the Internal Revenue Service (IRS) is unable to provide the U.S. Department of Education (the Department) with your Adjusted Gross Income (AGI) or that of your spouse (if applicable).

YOU MAY complete this form if:

- You are repaying your Direct Loans under the ICR Plan and your AGI (and your spouse's AGI, if you are married), as reported on your most recently filed federal tax return, does not reasonably reflect your current income (e.g., due to circumstances such as loss or change in employment by you or your spouse).
- You are repaying your Direct Loans under the IBR Plan and your AGI (and your spouse's AGI, if you and your spouse file a joint federal tax return), as reported on your most recently filed federal tax return, does not reasonably reflect your current income (e.g., due to circumstances such as loss or change in employment by you or your spouse).

In cases where alternative documentation of your income is used, the amount of your monthly payment under the ICR or IBR Plan is based on the current income information you and your spouse (if applicable) provide and is reevaluated annually. Your monthly payment may be adjusted more frequently than annually if you notify the Direct Loan Servicing Center that your AGI (or your spouse's AGI, if you file a joint federal tax return) has changed significantly since your most recent submission of this form and you provide supporting documentation showing this change. To submit alternative documentation of your income, you must attach the required documentation, complete and sign this form, and return it to the address below. If you are married, your spouse must also complete and sign the applicable sections of this form and submit the required documentation if (1) you are repaying your loans under the ICR Plan, or (2) you are repaying your loans under the IBR Plan and you and your spouse file a joint federal tax return.
