As you enter the data, a moving timer will count down from 30 minutes to ensure your non-public information is protected. If you reach the full 30 minutes and have not completed your submission, you will automatically be logged out for security purposes.

At the Validation Media home screen, you will be prompted to enter the following under the School Information section:

- Institution Name
- Person Submitting Media
- Contact Phone Number
- Contact E-mail Address
- Reason for Submitting Media (If “Other” is selected, a box will appear, and a note must be entered)

A “Comments” box is also provided for your convenience. Please feel free to provide any additional information relevant to the accompanying validation documentation.

After the School Information section is complete, you may upload and attach your validation media files by selecting the “Browse” icon. Up to three (3) separate files containing validation media may be attached with each individual submission.

The screenshot shows the 'Validation Media' form interface. It has a title 'Validation Media' in orange.
